DICE DAISY SPINNER DDSO01 Installation Instructions

DDS001

Dice Daisy Installation Instructions

1. Check using the parts list that all components have been delivered.
2. Plan the final position of the play equipment, ensuring there is sufficient space
NB: Please consider the extent of the minimum use zone (see surfacing plan).
Please note the themed side should face in to the play area, **IF IN DOUBT CHECK!**
3. Excavate the foundation holes in accordance with the plan and play level,
4. A line on each post indicates the play level.
5. (please note it may be necessary to support the Daisy unit in the correct position as shown on the surface plan).
6. Pour concrete to correct level indicated on the foundation plan. Float off upper surface to enable run-off away from frame posts.
7. The unit should be secured against use by any member of the public until the concrete is set and the appropriate depth and extent of surfacing have been installed (please refer to surfacing plan).
8. Follow the maintenance instructions supplied at the end of this document.
NB: During installation, care must be taken to prevent hazards to children.
If you are at all unsure or have any questions, please contact the contracts department immediately for their assistance and advice.

Check loose fill safety surfaces, remove any foreign elements, rake level and top up if required.	<input type="checkbox"/>	<input type="checkbox"/>	<input checked="" type="checkbox"/>	<input type="checkbox"/>	<input type="checkbox"/>

Disposal Instructions

All components should be broken down into categories of:-

- 1 **Mild Steel** - all 38mm Ø tube, step/ring climbers, welded bar, swing frames, deck frames, springie frames.
- 2 **Stainless Steel** - all slides, mirror panels.
- 3 **Aluminium** - all Playzone, Mission and Toddlerzone posts.
- 4 **Galvanised Steel** - all chains and Teenzone posts.
- 5 **Moulded Rubber Products without steel inserts** - all Mission and Toddlerzone Caps and edge details.
- 6 **Timber** - all natural timber, plywood, and MDF panels.
- 7 **Moulded Rubber Products encasing steel inserts** - all Swing Seats, Deck Tops, Duo/Dizzy Disc Tops.
- 8 **High Pressure Laminate** - all Toddlerzone, Playzone, Minizone, Teenzone and Themed panels.
- 9 **Steel Core Polypropylene Rope** - all Scramble Nets, Space Nets, Playzone/Toddlerzone/Mission Ropes.

Wherever possible these materials should be taken to specialist recycling organisations and recycled. Please note 7,8 and 9 are composite materials which will required specific consideration, for example Energy From Waste.

Recycling methods are ever changing and improving. Always check local recycling arrangements before final disposal
